

Accessibility & Special Needs - Brad Weiser, chair

Review overall building interior design and finishes from the viewpoint of building users of all ages with special needs or mobility concerns. Research and recommend latest available technology to assist hearing impaired, learning disabilities, LAMs, etc. Time Frame Mid 2017-Mid 2018

Adults & Outside Groups - Rick Washinger, chair

Participate in the design of the adult classroom space and church office space with respect to layout, space utilization, technology, finishes and furnishings. This wing will be shared by outside groups, thus security from the remainder of the facility will be a focus. Time Frame Early 2017 - Early 2018

Amenities & Decorating - Joanne Reynolds, chair

Assist Interior Designer with detailed selections of colors, finishes and furnishings throughout the facility. Work with other Building Teams to ensure continuity of theme and visual appeal throughout. Time Frame Late 2017 - Mid 2019

Children & Little Lights Learning Center - Colleen Kulp, chair

Focus on the design details of the children's wing including sign-in security, space layout, colors, finishes and furnishings, indoor and outdoor playgrounds, etc for shared utilization by Children's Ministry and Little Lights Learning Center. Time Frame Early 2017 - Early 2018

Finance & Stewardship - Ryan Heishman, chair

Small team or Chair only serving as liaison between the Building Committee and the Capital Campaign Team with respect to monitoring the construction budget and contingencies. Persons interested in this area may instead wish to contact Jack Maddox or Stephanie Pepper to assist with construction loan options. Time Frame Early 2017 - Early 2018

Hospitality, Kitchen, Cafe - Joanne Monoski, chair

Participate in the design of lobby, gathering space, welcoming center, kitchen and café areas including finishes, furnishings, equipment and technology. Consider overall welcoming beginning in the parking lot and continuing throughout the building. Time Frame Early 2017 - Early 2018

Land Development - Jeff Barnes, chair

Work with Attorney, Civil Engineers and Landscape Architect to obtain Subdivision Plan and Land Development Plan approvals from Carlisle Borough and South Middleton Township. Responsible for overall site layout, emergency site access and a second permanent access driveway into the site. Time Frame Early 2017 - Early 2018

Maintenance - Mike Landis, chair

Review overall building interior design and finishes plus exterior landscaping, grounds and paved areas from the viewpoint of maintaining the facility efficiently and cost-effectively. Recommend alternative finishes and features where necessary plus equipment required for maintenance, and participate in design of a maintenance building for the property. Time Frame Mid 2017 - Mid 2018

Staff - Jeff Barnes, chair

Small team or Chair only that will meet monthly with staff and pastors to provide design progress updates and request staff input in specific areas. Must be available to meet during the day on weekdays. Time Frame Early 2017 - Early 2018

Technology, Security, and AVL - Ryan Heishman, chair

Work with AVL consultant to assist with design of lighting, audio systems, video systems and other technology throughout the building and grounds. Overall safety and security of the site and facility will likewise be handled by this team. Time Frame Mid 2017 - Mid 2018

Youth - Courtney Svirbly, chair

Focus on the design details of the youth wing plus youth utilization of other building areas. Space layout, colors, finishes, furnishings, equipment, technology, indoor and outdoor recreation all to be considered. Time Frame Early 2017 - Early 2018

Worship & Music - Joanne Reynolds, chair

Assist with the design of a single worship center capable of supporting all worship styles including size, seating, layout, future expansion, etc. Consider usage of the center for both traditional and contemporary worship including the need to change over the space quickly and efficiently between Sunday morning services to accommodate various musicians, choirs and worship styles. Also focus on music storage and rehearsal needs. Time Frame Early 2017 - Early 2018
