

#CarlisleUMConnects

Ways to LIVE LIKE JESUS while social distancing

WORSHIP

A video worship experience led by Pastor Jim and Pastor Mira will be posted on YouTube every Sunday morning at 8:00am (you can view it anytime). An email reminder will be sent to CUMC households with a worship guide and a link to the video. Print out the worship guide ahead. Subscribe to our YouTube channel (Carlisle United Methodist Church) to get notifications when new videos are uploaded.

GIVE

Ministry is happening in new ways (Palm Sunday mailings, cleaning out areas for church move, youth and kids Easter mailings, lots of groups meeting online) and we need your help to continue to support our staff and pay our bills. As possible for your family, please continue to support and help make these ministries continue with gifts online, or mailed to the Church Office (45 S West Street, Carlisle, PA 17013). We are thankful for all who give regularly to CUMC as we worship online. www.carlislepaumc.org/give

CONNECT

Join the email prayer group with daily updates on prayers for our church family and community. Email prayer@carlislepaumc.org to join.

Connect with kids at CUMC in a one-to-one PenPal program while school is out. Send weekly snail mail to your pal and get back pictures or notes. Help bring joy to all ages at CUMC with a stamp and pen pal. Email Pastor Mira, mhewlett@carlislepaumc.org to join.

SERVE

Help CUMC care for each other connecting with members/friends who need a phone call or picking up groceries. Or if you know someone in need, please let us know. CUMC will connect those willing to help and those in need 1-to-1. Find out more on CUMC's Coronavirus Resource Page. carlislepaumc.org/covid

The United Way has established a Carlisle Area Emergency Response Fund (CAER Fund) to meet the emerging and critical needs in our community by non-profit organizations in Carlisle (Project SHARE, CARES, Samaritan Fellowship, etc. are applying for funds to support extra needs). Pastor Mira is on the team to distribute these gifts. Learn more and Give at uwcarlisle.org

GROW ADULTS

Small group and Sunday School leaders are going to be finding ways to keep the groups connected - from video meetings to email and Facebook groups to conference calls. Small groups are still a way to stay encouraged and supported as well as GROWing. www.carlislepaumc.org/adults

GROW STUDENTS

During this time we know many people are taking advantage and doing some spring cleaning. Please save all donations for the youth yard sale to benefit youth summer mission trips that will hopefully happen in mid-May.

Middle School and High School have been meeting virtually at their normal times (MS Sunday Nights at 5pm and High School Monday Nights at 7pm). Parents should read the Youth Ministry weekly email to get the code for chats and more info about how to join.

GROW KIDS

Utilizing the @CarlisleUMCKids Facebook page.

Kids'Worship - Sundays @8am on Facebook; PreTeens - Sunday Night Connect Time on Google Meet; Let's Connect & Pray - Tuesdays on Facebook; Kids'Connect - Thursdays @ 1pm on Facebook Live.
