

Church Hall Meeting Q & A

On October 14, Church Hall reports from the Leadership Council were made available online. Additionally, folks were invited to submit any questions that they might want to have answered. Only two questions were submitted – here are the questions and our responses.

1. At the previous church, I was locked in and couldn't get outside. Could that occur at our new church? (Submitted by Jane Lerch)

Answer: No. There are no doors that can be locked, which would prevent a person from exiting the building in an emergency.

2. Why are people discouraged from visiting areas of the building after/between services on Sundays? (Submitted by Jane Lerch)

Answer: CUMC is taking every COVID-19 precaution to make all areas of our church as safe as possible. We have scheduled tours of the building on the first Sunday of the month so our custodial staff can disinfect those areas after the tours.
