

WELCOME TO CUMC

We're so glad you're here!

During COVID please:

- Wear a mask at all times.
- Sit 3 seats from next family.
- Offering boxes available at Worship Center doors
- If you worship in-person with us, develop COVID symptoms within 48 hours AND test positive, please contact one of our pastors. This will help us contact all within that service if necessary.

DID YOU KNOW?

The new organ which is today being played at our two Traditional services has been custom designed for CUMC by Walker Technical Co., one of the most reputable organ builders throughout the world. The console was stained to match the woodwork of the Worship Center. It has four manuals (keyboards) and pedals which enable the organist to play thousands of sounds to enhance the worship experience.

Living like Jesus improves our lives, our families, the Carlisle community & beyond. At CUMC, we strive to

LIVE LIKE JESUS.
