TRACK YOUR ROUTE

IF YOU CAN'T GET OUT TO WALK RIGHT NOW CONSIDER DRIVING OR USING THE MAP TO

Pray that God will lead us to the neighbors and community members who do not have a relationship with God through Jesus Christ; those who thought they were done with church forever; and the lonely and stressed who need to be strengthened and inspired at this time.

We would like to receive your feedback through Facebook or email. Your feedback will provide direction to the church in meeting its mission and may encourage others as they learn how to pray in a new way.

WHY PRAYER WALKING?

Takes our praying into our community and helps us learn about our neighbors and community

Makes use of our senses: opens our eyes, ears, mouth and heart to God's presence in our community

Allows God to show us places of need

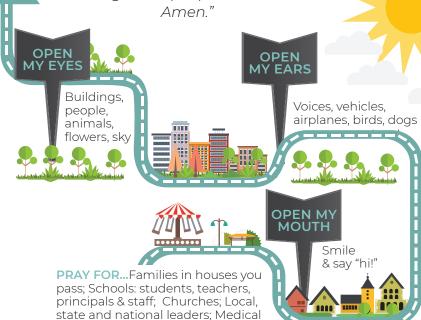

May provide opportunity for us to address a need on the spot

If we walk with others, helps us to connect and grow in our faith
